Oops, we forget an announcement! Here it is:

Magical Activism - Wednesday, January 14th, 2:30PM

Gather at the Peace Statue in St Paul City Hall for a gathering of magical action. Let us imbue justice, truth, and wisdom into this space as the Hefflefinger/Luger report on police actions at the RNC are presented. We will bring crystals and move about inside and outside the building creating magic in partnership with earth wisdom. After this event at 3:15, we will proceed to the city council chambers and continue the magic.

Much love & solidarity,

The RNC800 Crew
